

# Freddie Firefighter Escape Game

Follow the directions below and use the stickers to help Johnny practice getting out of his house safely.

## Game Stickers

8.

1. Help Johnny use the fire escape ladder outside his bedroom window. Find the sticker that opens his window.

2. Before Johnny goes into the hallway, he must first get down low and touch the door to see if it is hot.

If the door is hot, do not go! Find the sticker that shows Johnny testing his door.

3. Johnny is now out in the hallway but he is forgetting something very important. If this was a real fire, Johnny would have to crawl low under the smoke so he could breathe. Find the sticker that shows Johnny crawling.

4. Here is a window Johnny can use to crawl onto the porch roof and wait for firefighters to help him. Find the sticker that opens the window.

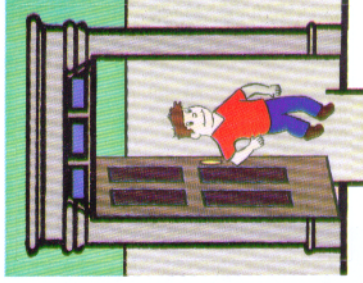

5. Oops! Johnny stood up to go down the stairs. Find the sticker that shows Johnny crawling low down the stairs.

6. This side door could be a good exit for Johnny but it is blocked with furniture. Find the sticker that moves the furniture for Johnny.

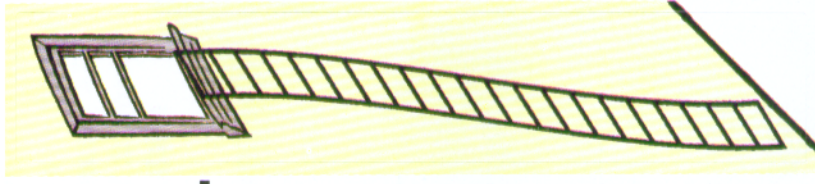

7. There is one more way that Johnny could escape from his house in case of fire. Find the sticker that shows Johnny using the front door.

8. Johnny and his big sister will meet their parents by the big tree if there is ever a fire. Find the sticker of Johnny and his sister and place it next to the tree. Does your family have a meeting place?

9 & 10. You should have working smoke alarms on every floor of your home. Find the smoke alarm stickers and match them with the smoke alarms in Johnny's house.

# Freddie Firefighter Escape Game

Johnny wants to practice his fire escape plan like his friend Freddie Firefighter taught him, but he needs your help. Use the stickers on the other side of this sheet to help Johnny remember to crawl low and find the 4 ways he can escape from his home in case of fire.

Freddie Firefighter Says ...  
"Be Aware, Be Prepared,  
Know 2 Ways Out from  
Each Bedroom."

List your fire escape plan here:
